STUDENTS OF
U-T, MARTIN

Twenty-ninth Year

Annual Parade To Open Homecoming Activities

The annual Homecoming Parade will be held Saturday afternoon at 1:00 o'clock. Featured will be decorated cars, floats, bands, and marching units. The parade will follow a route which will take it through the business district and parts of the residential section.

Participating in the Homecoming Parade will be four excellent bands, one from the University and three from near-by high schools. They are UTMB's own ROTC band along with those from Martin High School, Humboldt High School, and Peabody High School in Trenton.

Owners of the cars entered in the parade will get their numbers at the parking lot in front of the Student Activities Building. The numbers must be placed on the right side of the car so that the judges may be able to see them. All cars must be registered in the name of a student.

All cars should begin assembling on Lovelace Street at 12:00 noon. They should be assembled so that the parade may start promptly at 1:00 o'clock. The Homecoming Parade Committee will be in charge of the assembly and lining up of all entries.

Cash prizes will be awarded to the first three winners. Winners will be chosen by contest judges who will be stationed at a central point downtown. An announcement of their decision will be made at half-time of the football game.

It is not the purpose of the Homecoming Committee to influence anyone in the idea of expensive car decorations. The thing really wanted is the cleverness and originality of the individuals. The decision the judges make will be based upon these two points plus the way in which the idea is carried out. It is well to point out here, however, that cars decorated only with crepe paper are ineligible for the contest.

To make the parade more interesting, three other contests are to be held. One is to be between the Freshman and Sophomore classes. The second is to be between the Junior and Senior classes. In both of these, the class with the smallest number of cars entered in the parade is to have a special entry, namely the President and Vice-President of the class in a humorous predicament. The other contest is to be between the sponsors of all the classes.

RULES OF CONTEST

1. This contest is opened to any UTMB student who has a car, can borrow a car, or has friends wishing car decoration assistance.

2. CARS MUST BE ENTERED IN CONTEST UNDER INDIVIDUALS' NAMES but may have as many assistants as deemed necessary.

3. Decoration theme should center around homecoming of old grads or of the football game between UTMB and the West Georgia College team from Carrollton, Georgia.

4. JUDGES WILL BASE THEIR DECISION UPON ORIGINALITY OF IDEAS AND THE MANNER IN WHICH THE IDEA IS CARRIED OUT. Cars decorated with crepe paper streamers only will be ineligible for contest awards.

5. Three prizes will be awarded: First prize\$15.00 Second prize 7.50 Third prize 5.00 Contest judges will view the parade from a central point downtown.

Contest winners will be announced at half-time in UTMB vs. West Georgia College football game and prizes will be awarded at that time.

6. Decorated cars will be lined up on Lovelace Street from University intersection back in direction of Reed Hall. Cars should begin assembling at this point by 12:00 o'clock noon in order that the parade may start promptly at 1:00 o'clock. Parade officials will be on hand to number cars as an aid for the judges decision downtown.

7. Helpful information concerning car decorations: West Georgia College colors: Red and Blue. Team name: Braves.

8. It is not the wish of the Homecoming Committee to foster the idea of expensive car decoration but rather the originality and cleverness of the individuals.

"GET IN THE SWING — THE PARADE'S THE THING."

(A diagram of the parade route appears on page 4.)

Dr. Holt To Speak At Alumni Banquet This Saturday Night

By LAWANNA WALKER
Dr. Andrew Holt, Vice-President of the University of Tennessee, will be guest speaker for the Alumni Banquet at 6 P. M., October 26, at the Gateway Restaurant. All UTMB Alumni, UT Staff, and their guests are invited to attend. Reservation for the banquet may be made at the Alumni office.

Cavit Cheshire, President of the UTMB Alumni Association will act as toastmaster for the evening. Invocation will be given by Dean Paul Meek. Dr. Holt, who has been well received as speaker for many occasions on the campus, is a native West Tennessean reared in Milan and is known throughout the United States as a leader in the educational field. For many years he was associated in public schools of the state, later serving as President of the Tennessee Education Association and since 1950 has been Vice-President of UT. Dr. Holt has shown considerable interest in the development and progress of the Martin Branch.

Among the highlights of the evening will be the introduction of the department heads representing the four year curriculums. This year a new one will be added. Mr. Glenn Gallien, Head of the Education Department, will join the ranks of Mr. J. E. McMahan, Head of the Agriculture Department, and Miss Mary Ida Flowers, Head of the Home Economics Department.

This social event held each year just prior to Barnwarmin' gives the returning alumni a chance for renewing old acquaintances as well as a delightful fellowship hour. This year's crowd is expected to exceed any of previous years as this takes a place among the events of Homecoming.

Annual Barnwarmin' To Provide Climax Of Homecoming Day

'Ole Mac's Farm' To Be Theme Of Gala Affair

Barnwarmin', traditionally the largest and most enthusiastic social event of the year, will prevail again this year as one of the major reunion activities of Homecoming.

The Ag Club proposes the biggest and best Barnwarmin' ever presented in the 28 years of Barnwarmin's existence. The atmosphere will be that of a national habitat, the theme being "Ole Mac's Farm."

The Clodhoppers, the newly formed UTMB square dance team, directed by Melvin Humphreys, will make its debut with various arrangements of square dancing. Also the band of Sellers Leach, with vocalist, Miss Nancy Adams, a winner on Arthur Godfrey's talent show, will highlight the musical festivities with vocal numbers and music for bopping and round dancing.

The night will be climaxed with the presentation of the Alpha Zeta award and the crowning of the King and Queen.

Highlights of the evening will be the crowning of the king and queen and the announcement of this year's winner of the Alpha Zeta cup. The king and queen are elected by secret ballot of Ag. Club members and the winner of the Alpha Zeta cup is selected by members of the Ag. Department faculty.

Nominees for Barnwarmin' queen are Charlotte Taylor, Glenda Templeton, Ruth Caldwell, Linda Ross, and Nita Whitfield. Candidates for king are Jere Freeman, Jimmy Reeves, Landon Duncan, Ralph Johnson, and Mark Farrar. The Alpha Zeta award, one of the highest honors given by the Ag. Department, is limited to sophomore students.

Barnwarmin' will begin at 8:00 P. M. and end at 12:00 P. M., October 26, and the admission will be \$2.00 stag or drag.

Reigning over Saturday's Homecoming game with West Georgia College will be Queen Eleanor Gresham and maids Peggy Peoples (left) and Frankie Wright (right).

Greetings To Alumni

By Dean Paul Meek

There is no group that comes to the campus that has the interest, understanding, and will to serve their school, akin to that of the alumni. So to this stalwart group of young men and women we extend greetings and the heartiest welcome.

To match the usual pleasure of visiting with fellow alumni, the weather man should send one of his most beautiful days. We are thinking of the happy experiences in seeing again alumni friends, all witnessing together a colorful parade, a hard-fought spirited football game, and the usual colorful Barnwarmin' dance. So we plead for sunshine on the frost.

We welcome you to an expanding unit of the University. We are proud that our residence hall for women is completed and occupied. We are delighted that our degree program in Education is under way, having a full class of juniors. We have brought many courses into Business Education and teaching areas in the field of Liberal Arts. We also have junior courses in the field of Business Administration and many courses in English, Biology, and Physical Sciences in support of teaching areas in Secondary Education. As a matter of fact, these total 89 courses.

The administration-classroom building is a reality, and a successful bidder should be under contract and at work on the site on the occasion of your visit. New quarters in this building will be provided for administration, for the Department of Education, and for the Department of Business Administration. A growing Department of English will be quartered here also. Three laboratories for Home Economics will be in this building immediately adjacent to the Home Economics Building. How these gains shall be implemented and extended is a new challenge to the alumni group as your State University throughout its programs has launched expanding plans.

We welcome the alumni group, made up of business and professional people and homemakers, well on their way to success in their work. We welcome this group, committed to the continued advancement of The University of Tennessee and the Martin Branch, a definite part of the University. Your activities with respect to general support, specific interest in grants and awards, and the extension of services to the people of the State bring the entire staff of this branch of the University to say that we are glad you are coming back for a visit and that we shall have the opportunity to greet you and to talk with you about your own families, your own work and plans. The alumni officers and a number of the staff have made many plans for your work and recreation. I hope that this will be a highlight in your year and the best Homecoming to date.

Barnwarmin' King and Queen will be selected from this group of candidates. They are (left to right): Nita Whitfield, Charlotte Taylor, Glenda Templeton, Ruth Caldwell, and Linda Ross. Back row: Landon Duncan, Jimmy Reeves, Jere Freeman, Ralph Johnson, and Mark Farrar.

Annual Homecoming Set For Saturday

Full Schedule of Events With Game as Highlight

By LAWANNA WALKER

Homecoming, an annual event that is looked forward to with much anticipation by everyone, begins October 25. All alumni are invited to attend this two day event, which begins with the Pep Rally Friday and ends at the stroke of midnight Saturday with Barnwarmin'.

A giant pep rally and bonfire will be staged Friday night at 7:00 in the Campus Grove. The Braves will be "burned" and many surprises revealed. Taking part in the ceremony will be the football team, cheerleaders, football royalty, and the "special" guests, the Freshmen. The pep rally always presents a cheerful and lively atmosphere for opening of Homecoming.

Pep Rally To Start Activities

Homecoming will get off to an official start Friday night with the traditional Pep Rally. Scene will be the grove east of the gym and the time 7 o'clock.

The rally will feature several campus traditions. First will be the lighting by the cheerleaders of the Lion-fire with their individual torches as they give the V-I-C-T-O-R-Y yell. Second will be the burning of the dummy. This will signify the destruction of the spirit of the West Georgia College Braves.

The rally will reach its climax with the presentation of Captain Hugh Lashlee, Co-Captain Bobby Kendrick, and the presentation of the football queen, Eleanor Gresham, and her maids, Peggy Peoples and Frankie Wright.

UTMB Alumni Group Takes Big Step; Joins General Association

The University of Tennessee, Martin Branch, Alumni Association, begins its annual meeting Saturday morning, Oct. 26, in the ABL Building. The kickoff for the meeting will be a meeting of the Executive Committee in ABL 128 at 8:30 followed by various committee meetings at 9:00 and meeting of the General Alumni Association in ABL 200 at 10:00. Among the business to come before the group is its affiliation with the General Alumni Association of the University of Tennessee.

The Martin group, by a vote of approval, joins forces with the General Association which means that the Martin group maintain all their independence, rights and privileges, and yet gain all the rights and privileges of being a part of one of the greatest of all alumni associations, a record of which dates back 163 years. This is quite a step for the Martin Branch and is received with much eagerness.

Mr. Cavit Cheshire, president of the UTMB Alumni Association, will preside over the meeting at which Mr. John Smartt will speak. Mr. Smartt, who has been Executive Secretary of the University of Tennessee Alumni Association and Director of the Placement Service for the University for several years, is known by alumni everywhere. He is interested in UTMB and welcomes UTMB Alumni Association into the General Alumni Association.

The Agriculture Club has decided to each year present the UTMB Alumni Association president with a gavel inscribed with his name, UTMB Alumni President, and the year of service. At the close of the meeting Mr. Cheshire will be presented a gavel by the Ag. Club.

MUSICAL PROGRAM HELD IN GYM HERE

Tuesday, October 10, Mr. Walter Carringer, tenor, was sponsored in a musical program in the gymnasium. Carringer, who is one of America's outstanding young singers, has had many appearances on nation-wide radio and television networks.

Carringer sang an old English song, "I'll Sail Upon the Dog Star," by Purcell, and "Linden Lea," by Vaughn Williams. Other selections were two French songs, "Hotel" and "Going to Paris," by Poulenc, "Homing," "Sonnet," and "Sugar in the Cane," with words by Tennessee Williams. Carringer ended his appearance with "Jes Mine."

Immediately following the pep rally is the "Frosh" Social in the gym at 8:00 P. M. This is usually quite different from the other major social events of the year in that it is a sort of "costume" ball for the freshmen!

Saturday morning is filled with Alumni meetings. At 8:30 the Executive Committee meets, at 9:00 various other Alumni Committees, and at 10:00 the General Association. During the morning, also, one sees many changes in the appearance of some of the buildings on campus as they are decorated with novel and original displays.

The Homecoming Parade starts promptly at 1:00 and will begin on Lovelace, then proceed through the main district of Martin. Lining up of cars and floats for the parade starts at 12 noon in order that the parade may begin on time. Last year's parade was truly something to marvel at and this year's promises to be even better.

There will be four bands represented this year. The results of the class challenges will be seen along with the football royalty and many other outstanding features. After the parade the UTMB Vols attack the West Georgia Braves of Carrollton, Georgia, at 2 P. M. The Vols hold a record for the season and a game should prove exciting. At the half-time ceremonies the captains of the football team will crown the football queen. Another of the events of half-time will be the removal of the green beanies now worn by freshmen.

The Gateway Restaurant sets the scene for the Alumni Banquet at 6 P. M. Dr. Andrew Holt will be guest speaker.

Barnwarmin', which draws the curtain on Homecoming, is scheduled for 8 o'clock in the gym. Sponsored annually by the Agriculture Club, this is one of the biggest events of the year. The Barnwarmin' King and Queen and the recipient of the Alpha Zeta Award will be revealed. Another added attraction will be a special square dance team which will provide entertainment for the group. Sellers Leach Orchestra has been booked for the dance. The strains of "Auld Lang Syne" will sound at 12 midnight to conclude what is expected to be the biggest and best Homecoming in UTMB's history.

UTMB Judging Team Makes Good Record In International Show

The UTMB Dairy Cattle Judging team made a fine showing in its first taste of national and international competition. This was the verdict of Dr. James R. Nichols, coach of the team, after its return from the International Show in Chicago.

UTMB's team finished well up on the lists in four different categories. The team tied with Michigan State for fourth place in Jerseys; ranked sixth in Brown Swiss; placed eighth in Holsteins; and placed in the top eight in three of the five breeds judged. In addition, Tom Hendrix, a sophomore from Bethel Springs, tied for sixth in Brown Swiss and was fourth in Jerseys out of 48 contestants.

The true significance of the team's achievement is best shown by the competition it faced. The Vol squad competed against the University of Wisconsin, Ohio State, University of Illinois, University of Minnesota, and Michigan State of the Ten Big; Penn State; Iowa State (generally rated one of the two top ag schools in the Nation); Kansas State; University of Nebraska; University of Kentucky; Ontario Agricultural College; University of South Dakota; Washington State University; and the University of Missouri.

Let's Get The 'Tennessee Spirit'

We here at UTMB should be bursting at the seams with the "Tennessee Spirit" over the progress we have made in the last year, and all the nice things which have happened to our campus just since the opening of school this year!

This time last year the dream of a new women's dorm was just beginning to materialize. Now we have a beautiful new building which would certainly be an asset to any campus, anywhere. We're mighty lucky to have such a beautiful structure as a part of our campus. We, the occupants of the dorm, have been having a time trying to adjust ourselves to our new surroundings, but things are beginning to look up for us with several of our rules being changed with the requests of the girls in mind. We appreciate these things and hope we'll be able to use that "Tennessee Spirit" in making our dorm the finest anywhere!

Something else which should fill us with a pride we've never had before is the marvellous record our football team has made this year. Each one of us should be tremendously proud of these boys and show them we appreciate all that hard work, by being at every game and letting them hear that old "Tennessee Spirit."

Another dream which is beginning to take shape, is the vision of a new Administration Building, on which work has already begun. This new structure will house the departments of English, Education, Business, several Home Ec classes, and offices of the Administration. Nothing in the way of modern conveniences has been left out, and for the enjoyment of summer school students, complete air-conditioning will be included. The dream of this building and the completed building itself, is sure to be full of "T.S."

Not only has our physical plant been expanded, but UTMB now has a degree program in Education and Business Education, as well as Agriculture and Home Economics. New courses in English, Science, and several other subjects have been added, so the "Tennessee Spirit" is growing scholastically, too!

The list could go on and on, but the conclusion would be the same. We've got so much to be proud of and to have that "Tennessee Spirit" over, that there's no reason why we don't have as much or more school spirit than any campus anywhere! Let's get behind all these plans and all these activities and do our share in getting the "Tennessee Spirit all over"!!!

A Good Place To Be

The UTMB campus is one of the most beautiful in this section of the country. It is increasingly so as Fall comes to visit, with her beautiful array of colors. The trees are turning to beautiful shades of red, yellow and brown, intermingled with the remaining greens of yesterday.

The campus gives one a good feeling of optimistic realism, when walking to class among the friendly atmosphere of the students. Even on rainy days, the optimism and friendliness is still present.

The new dorm adds to the glamour of the campus, and the new freshmen add a state of confusion, greenness, and shy friendliness, which is present at the beginning of each new year. As the freshmen become adjusted to life at UTMB, and as the upperclassmen become adjusted to the freshmen, there will be the friendly, casual intimacy for which UTMB is so well-known.

The beautiful campus, the green freshmen, and the friendly upperclassmen add up to one thing: UTMB is a good place to be!

The Lowly Freshman

I am a lowly freshman; I have no poise nor grace. I must respect the upper class to show I know my place. My place is very low indeed; I am an humble soul. I crawl around like a centipede, When I should crawl in a hole. I am a lowly freshman; I have no sense of knowledge. To learn respect and discipline is why I came to college. Freshmen! Your time has come! But don't get alarmed, it happens to be the best of us. Just remember, you have a lot to learn, BUT YOU'LL LIVE THROUGH IT! When you think things are going a little rough, just grin and bear it. And four years from now you'll be saying: I am a mighty senior; I'm filled with poise and grace. I don't respect the upper class, because that is my place.

My place is very high indeed; with classes I am bored. I ride around just like a queen; cause now I have a Ford.

I am a mighty senior; I have all kinds of knowledge. I've learned (?) respect and discipline; I'm almost through with college! Hurrah!

(Poem taken from The Baptist STUDENT, Oct. '57 issue)

Students' Wives Club Meets in Lounge

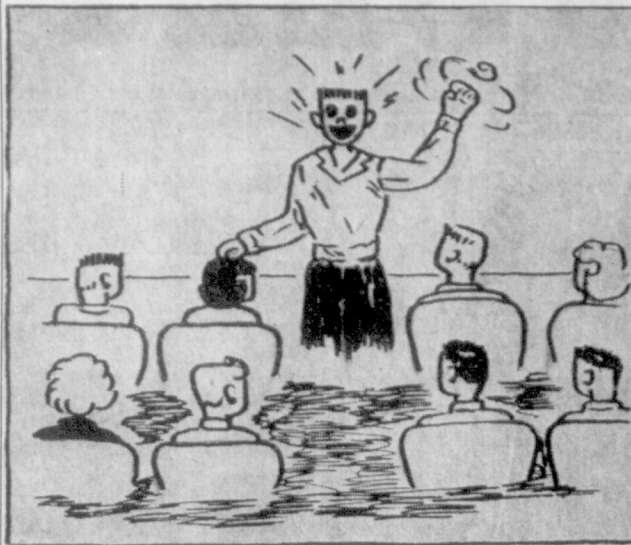

The Students' Wives Club met Tuesday, October 15, 1957, in the student lounge. Mrs. Pat White, Mrs. Pat Love, and Mrs. Sue Roberts were welcomed as new members.

During the business meeting, the Annual page form was completed

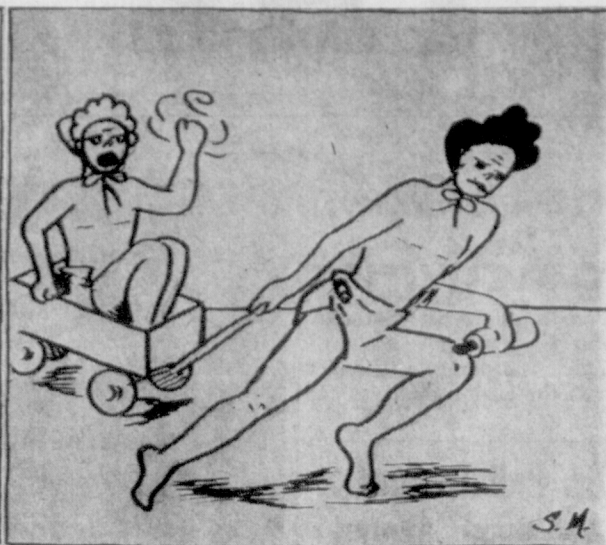

and committee chairmen were appointed. They are Mrs. JoAnn James, Mrs. Peggy Counce, and Mrs. Virginia Chapman.

Following the business meeting refreshments were served to the twelve members present and the group enjoyed slides from Japan, Italy, Switzerland and Germany. There will be a special meeting

Famous Last Words

"... we'll win hands down!"

"You and your big mouth!!"

Short Story?

By JIMMY TOWNSEND

(This was a student written class paper and was received by request. Any persons wishing to write such papers or articles for possible publication please feel free to do so. Turn your papers into Box 236 and I will give full consideration to the merits of the work. I am anxious to receive a great response from the writing readers. —L. B. Marshall, Feature Editor.)

The time was when in an hour or so, or even less one could slowly rise from that big easy chair by the fireplace and pondering but for a moment go on his merry way with the satisfaction of having read another very interesting story. That time has slowly but surely gone from us.

We are now faced by such questions as: Why was the story interesting? Was it symbolic? Were universal symbols used? Was there a definite turning point? Where was the climax? Did the story have two meanings? Who or what was the antagonist? The protagonist? What was the mood? Was the mood set in the first paragraph? Did the author have a thorough understanding of his subject?

Now we read a story, close the book, rise from the chair, do a take and sink in bewilderment back in to the chair to start all over. How could one little, innocent story be so complicated? Nevertheless the questions still are there and are yet to be answered. We find that only a few of them seem to have just one answer. The others have answers which delight in playing hide and seek. All we have to do is find them—a task easier said than done.

A second reading more often than not just confuses us to the point that a third and fourth reading seems the only logical solution to our problem. By this time the story has already taken on four different meanings and we're back where we started.

It seems by this time that what started out to be a short, interesting story has turned out to be a very long, confusing novel that was never meant to be understood in the first place, so we close the book again, turn up the radio and wake the next morning to the tune of, "Don't Take It so Hard!"

Confusing Information

Two men were discussing the romance of a young neighborhood couple. "What do you think of their getting married?" one asked. "It's all right, I guess," the other said, "but it's too bad they aren't good enough for each other."

"What makes you say that?" "Well," was the reply, "I've been talking to both families."

What's Your Answer, Please?

By ANN COX

QUESTION: What do you think about freshman initiation?

ANSWERS:

Melvin Humphreys: I believe that it is proper and fitting considering that it is for the lowest thing alive.

Jimmy Townsend: I think a certain amount is fine; however, it can be carried to extremes.

Nancy Seawright: It's not so much fun this year, but I'm looking forward to next year.

Jean Bedwell: I think it's fun and something everyone should look forward to, if it's not carried too far.

David Lawler: I think it's all right in some ways, but it can be carried too far.

Jimmy Furr: As long as it's fine, and K. C. doesn't mean Kansas City.

Jerry Cowell: It's o.k. I guess, if it's not too rough. I've learned to make up beds real well.

L. B. Marshall: I think it's a necessary evil in becoming an upperclassman.

Billy Clendenin: I think it's o.k. if handled the right way and doesn't go too far. Freshmen get off a lot easier by cooperating.

Harriet Robinson: It's o.k. if you can get by without wearing your green beanie.

Billy Webb: I think it's a lot of fun. I enjoy it and have met a lot of people during what initiation we've had.

Cecil Hughey: Let the upperclassmen give it to us; we can take what they give us and more too.

Wanda Dodson: I think it's fun as long as it's not carried too far.

Dennis Maldonado: I didn't even know it was going on.

Fred Reed: Crazy.

Beverly Pouncey: So far it's been a lot of fun.

Martha Taylor: I don't know what I think.

Ann Usery: I think it would be a lot more fun for both the freshmen and upperclassmen if the freshmen would take the right spirit and attitude.

Peggy Garner: I think it's going to be fun and something that the upperclassmen especially will enjoy, but the freshmen should enjoy it too because it is for them.

Ann Coltrain: I think there isn't enough of it; it should last at least a week.

Carolyn Washam: I think it's fun and I wouldn't miss it for anything.

Bettye Miles: I think we're much too easy on the freshmen.

Shirley Grant: I say they've "had it" come Friday and Saturday.

on Tuesday, October 29, at the home of Mrs. Julia Thomas. All students' wives are urged to attend.

Information Please . . .

By L. B. MARSHALL

IN LOOKING for crumbs of information to throw out to all the news-hungry students of our campus, I suddenly came face to face with this fact: The Freshmen of our school are in great need of a short, but informative, person to Freshman, talk based particularly on the items similar to one I am to discuss in the following paragraphs. (Those upper-classmen who have not been among the wide-awake number may obtain something from reading this bit of propaganda.)

WHILE AT WORK in the Snack Bar the other day I overheard an eager, but exceptionally green, Freshman ask a very self-like body which held the rank of upperclassman this question: "Just what in the blue blazes is this Barnwarmin'?" The upperclassmen, looking very shocked at the green-head's ignorance, went into a dramatic and detailed description of Barnwarmin'. He told how we met in the large beef barn over on the farm and roasted marshmallows over a fire built of Freshman beanies and college handbooks. (He failed to mention just how bad the fleas would be under such circumstances.) After the lengthy but informative recitation the upperclassman retired from the scene amidst the subtle chuckle and hilarious grins from his fellow educators. The poor green-head left sitting in a nearly satisfied mood gave me the inspiration to urge upperclassmen in continuing their deeds of educating our less-fortunate.

NOW THAT WE have explored the need of educating our new members to the sinking ship, let us go further in our role of first class informants. BARNWARMIN' is the Agriculture Club's prize baby. It is a dance or social, climaxing the Homecoming activities and bringing together the likes and dislikes of all in the effort of entertaining

a large group. Social dancing, square dancing, and refreshments blend together along with the crowning of the Barnwarmin' King and Queen and the awarding of the Alpha Zeta cup. This award goes to the Sophomore who was most outstanding in his freshman year both on the academic and extracurricular levels. The Barnwarmin' activities usually take place in the campus gym which is decorated to the taste of the occasion.

WELL, I FEEL BETTER about the Barnwarmin' bit and I hope someone is a little better than before this publication. But this is not all. During a recent session of digging through old issues of the VOLETTE, I ran across some interesting news reports from the dark past:

HARRY HARRISON KROLL announced the publication of his 21st novel, "Barbara's Farm," in the fall of '54. (Freshmen should note such occurrences, especially pertaining to faculty members.)

THE ROTC RIFLE TEAM began competition the fall of '54.

THE BUSINESS CLUB'S "Newsletter" originated in November, 1954.

THE WAGON WHEEL officially opened November 2, 1954.

THE VANGUARD THEATER, not then known as such, was organized October 3, 1955, under the supervision of Mr. J. Robert Swain.

BURSAR GENE STANFORD lamented the loss of his appendix October 11, 1954.

REALLY, THE OLD VOLETTES are loaded with great news bits of interest to all. You should try digesting some of their wonderful words of worldly importance. Remember, "Be careful of your thoughts—they may break into words at any time."

UTMB Band Expands Membership To 28

By MAURICE FIELD

The band has now increased to about 28 members. Eight new members have been added since the plea for help by Mr. Turney in the last VOLETTE. More new members are needed. It is never too late for music, so if you can play the band needs you.

An orchestra has been formed within the college band. This new dance band has hopes of playing for the school affairs and for outside jobs.

The members of the orchestra were selected as the results of try-outs held last week with Mr. Turney as the judge. Herbie Cathy has been appointed spokesman for the orchestra. He will be open for bookings for the orchestra anytime after this publication of the VOLETTE.

The orchestra is composed of five saxophonists, including Billy Clendenin, Herbie Cathy, Gene Vancil, Keith Parker, and David McDowe.

The brass section will be held down by three trombones, four trumpets and a baritone. The trombones are Billy Grissom, Joe Turner, and Keith Johnson. Backing up the trombones on the trumpet will be Bobby Damron, Jerry Thurston, Royce Ray and Wayne Tansil. Maurice Field will play the baritone.

In the rhythm section Ronnie Gill will play the drums and Fred Prentice will play the guitar.

This is the orchestra as the try-outs and first practice were concluded. Some changes will probably be made, but it sure sounds good now.

Revisions Made In Dorm Rules

Of special interest to 164 girls on the UTMB campus and to countless other students, both male and female, two of the women's Residence Hall rules have been revised, according to a statement issued by Horace B. Smith, student welfare officer.

The former lights out at 11 rule has been temporarily suspended and the suspension will become permanent if the co-operation of the girls is shown. This simply means that there will be no set time for the lights to be out, but that each girl is to be especially considerate of others (in terms of noise) especially after 11.

The rule that should please the male portion of the campus is that now boys can spend from 1:30 to 4:00 P. M. Saturday afternoons and from 5:30 to 11:00 Saturday evenings in the living room of the dorm. And on Sundays, the young men will be welcome in the living room from 2 until 11 P. M. During the week, boys are allowed in the dorm from 5:30 to 7:30 P. M. and until 10:15 if they are the individual guest of an upperclassman who is taking her night out in the living room.

Delta Kappa Readies For Coming Social

About the only thing newsy that is about to happen to us in the girls' dorm is the forthcoming social. November 1 is the date that has been decided upon for the Halloween Social. The time will be from 7:30 till 10:00 o'clock in the basement of the women's dorm. Only members of the dorm and their dates are invited—no boy stags.

Lack of space is the principal reason for this limited number. The moral of the story is to have a girl friend who lives in the dorm.

Fashions and Fads

By ELEANOR GRESHAM

As this "Homecoming Issue of the VOLETTE" makes its debut, many alumni will be hearing of the advantages of the UTMB campus in many phases. Look around the campus; so many, many features are taken for granted, and likewise most of the fashions and fads are taken for granted. But come Friday and Saturday as the Alumni stream back, it seems everything and everybody will have "his day."

One of the older buildings on campus, the cafeteria, has even gotten into the swing of things this year with the new "pay-as-you-eat" system for those who choose, and some "good-enough-to-eat" fashions continually make their way down the serving line—lots of them with new method of "serving" accessories. For instance, take Carolyn McCorkle's "vibrant" blue dyed-to-match skirt and sweater set, still topped with UTMB co-eds. The fitted wool skirt features a row of matching buttons marching down the center front, and the Band-lon sweater, increasing in popularity as winter descends, is full-fashioned cardigan style in this year's design with the shoulder seam dropped below the shoulder line in back. To top this favorite, Carolyn adds a new shirt in the form of a man's shirt style collar—real different!

Donna Johnston puts accessories to a new and attractive use. Donna selects the ever-popular silk scarf, and its use this year? To fill in the necks of sweaters, for the trend this year is for necklines which stand-away. Imitation leopard is Donna's choice, for number one on fashion's "steam table" is use of furs—fake or the real thing. The neckline of a three-quarter length sleeve, V-neck beige orlon sweater is aptly filled in with leopard, and the selection of a slim black wool skirt equipped with Ivy League buckle in back helps to accentuate the black leopard spots. Too bad Donna can't trade furs for a meal ticket!

Although there's no official serving as the word goes, the girls in the new women's dormitory have lots of vending machines, and they also still bring back everything from apples and candy to fried chicken and cheese spreads when they journey home for the week-end. Favorites as far as fashions go in Delta Kappa seem to be lounging outfits, with plaids beginning to take the lead. Margaret Hamer selects a bright red and green plaid in heavy cotton for her gay "slim Jims," which taper to the floor, and Doris Hettinger shortens the version with Bermudas of a twill like heavy cotton in red, white, black, and multicolored plaid and complete with Ivy League buckle.

Seen running from the dorm before every pep rally are the cheerleaders, still wearing white sweaters and orange letters, but donning black wool Bermudas accented also by white Bermuda socks and white buck shoes. The familiar blue jeans they used to wear for such occasions are still predicted for "real cool" weather. Come Saturday and Homecoming, though, you'd better keep your eyes open, for these gals have an outfit planned comparable to none ever presented at UTMB.

Also incomparable as far as sportswear goes are some mighty "gone" looking Bermuda socks—the most "deadly" looking featured in black. Ann Coltrain and Doris Reedy love 'em, and when they're outfitted in these, somebody "better beware!"

And likewise Alumni had "better beware" before descending upon Freeman, Reed, and Love-lace Halls, for they are now occupied by the stronger sex! Although the men's dorm, Kappa Beta, used to be a unified force among men, they still seem to agree on certain things, as can be evidenced about the campus in the abundance of orlon "V" neck sweaters. They're seen in every

ELEANOR GRESHAM

hue, value, and intensity, but especially popular this year are those in red, fashion's favorite color this year. Tommy Richardson, Hugh Lashlee, Monte Bayless and Bobby Fowler all are owners of bright red sweaters, and Joe Anderton and Royce Ray tone it down to wine.

Also a popular men's garment in red are wind-breakers of a taffeta-type orlon lined with a fur-like white orlon fabric. You can spot a guy a mile away, although you can tell which dorm he occupies, when he's outfitted in one of these like Gene Hipp, "Skinny" Benny Green, Monte Bayless, Marco Manachio, or Joe Lane. These gals on campus don't have it on the guns when it comes to colors of fashion.

One place everyone does agree to get together is the Wagon Wheel, open every Tuesday, Wednesday and Thursday nights in the basement of the men's dorm for dancing and lots of conversation. As the Wagon Wheel may be a new attraction to Alumni, a look at some of the co-eds' feet will present another new attraction and fad—"rock and roll" shoes. Stemming from the popular saddle oxford, they're in black and white with the black leather extending around the top of the shoes to the back, and they feature black foam rubber soles which make walking to class or "rockin' and rollin'" or "boppin'" a real dream. Representative of numerous proud owners are Judy Johnson, Annette Conner, Glenda Pritchett, Ruthie Dodson, Hulan Brooks, and Doris Hettinger. Doris is even equipped with Ivy League buckles—"real cool," man! As is the latest saying at UTMB—"That's ALL-RIGHT!"

A look to the future is the new Administration Building to be erected between the Home Ec Building, newly painted by the way, and the ABL, a comparatively new building, and likewise some smart co-eds are looking to the future, for they have selected "blend-to-match" instead of dyed-to-match. Did you know that's fashion's prediction for next year? Sally Rogers selected coral for the outfit with the "new look." Her slim skirt of wool features a pleat in center back for walking and is a shade of coral. To complete the outfit is a sweater, full-fashioned, short-sleeved and in orlon, of the faintest coral. A luscious-looking affair.

But Ann Cox combines this year's popular skirt—the pleated in plaid—with a jersey blouse. Ann's skirt in black and burnt orange provides lots of rhythm with its pressed pleats, and the burnt orange comes to view when she wears her "blending" three-quarter length sleeve jersey blouse of same color. These "future" fashions are just the thing right now, for UTMB is always on the move toward bigger and better things.

The following officers were elected recently to lead this year's Junior Class. They are Sandra Roush, ASC representative; Annette Conner, secretary-treasurer; Joyce Vineyard, reporter; Gene Wimberly, president; Dorris Hettinger, Annual representative; and Charles Sellars, vice-president.

Wesley Foundation Expands Program

Wesley Foundation will present an expanded and varied program this fall. Planned in the interest of the student, this program will include various guest speakers and discussions and thoughts concerning a series of subjects well-selected by Mary E. Grabel, program chairman, and Ray Bryant. Recreational activities such as folk games, singing, folk dancing, and outdoor parties, are also a particular part of the group's functions, providing an atmosphere of relaxation and interest apart from studying and attending. Others among the officers of Wesley Foundation are: President, Mark Farrar; Vice-President, Joel Parker; Food Chairman, Mary Sue Wimberly; and Mary K. Carrington, Secretary.

Wesley Foundation is maintained not only for the Methodist student, but also welcomes all students to participate in its program of activities. Already, the organization has shown a high percentage of increase in student attendance and active participation. This marked degree of improvement can be attributed to the excellent organization and direction on the part of the Rev. Brady Whitehead, Jr., and the able leadership of President Mark Farrar, as well as the new expanded area and facilities.

CHURCH OF CHRIST STUDENT GROUP IS ACTIVE ON CAMPUS

UTMB students who are members of the Church of Christ are reminded that each Tuesday night the Church of Christ Student Group meets. It is the purpose of this club to give the students a weekly devotional period and also to encourage them to keep up good Christian standards while in college.

In previous meetings the group has heard two fine talks, one by Dr. James Wright of Martin, who spoke on "The Christian and An Occupation," and one by Brother Randall Jernigan, minister of the Exchange Street Church of Christ, Union City, who spoke on "The Christian and His Leisure Time." A very interesting and successful panel discussion has also been given.

In the near future speakers will speak to the group on two very interesting and controversial subjects, "The Christian and the Racial Problem," and "Integration in the Church." We encourage and welcome everyone to come and enjoy with us this wonderful Christian fellowship and these fine programs.

"Doin's Brewin"

By BARBARA BROOKS

Fall is in the air and lots and lots of excitement is brewing for October's two big days here at UTMB—Homecoming and Halloween. The campus is buzzing with plans for these activities and if you're not busy with one of them, YOU join in! There's lots of work to be done and no one can do your part better than YOU!

We hear that the residents of the new Women's Dorm have named their hallowed halls "Little Alcatraz" with "Jailhouse Rock" as the theme song. Break time (9:15-10:00) finds all the "inmates" in the second floor lounge madly bopping away their 45 minutes of freedom. Leading the jam sessions always are those two Memphis sisters, Sandra and Ronda Roush. We hear that Sandra's idol is from Memphis, but isn't Elvis! Could it just be "Just Plain Bill?" I haven't quite figured out who Ronnie's heart belongs to.

With Homecoming and Barnwarmen the BIG things on the social agenda, fun-packed plans are being made for those two exciting dates. Ruthie Dodson is busy getting ready with all that "Tennessee Spirit" for the game, and for a date for Barnwarmen with Ag Club president, Mark Farrar. Another V.I.P. on campus, Jere Freeman, is squiring another Ruthie, Caldwell, this time, to the big dance.

Does Homecoming or Halloween have anything to do with France? No? Well, I've just been wondering why Ann Coltrain's newest nickname is "Frenchy" and why she named that cute little horse "Ce Le Vie!" Any facts will be gladly appreciated. "Viva la France!"

L. B. Marshall brought something back to school this year and he seems mighty anxious to show her off at Homecoming—Joyce (Mrs. L. B.), we're mighty glad to welcome you to our campus! And any day we're expecting an L. B. Marshall Fan Club to burst forth as the result of L. B.'s radio program on WCMT from 12 to 5 on Sundays. Another UTMB student, Larry Barber, takes over the controls on the same station from 5:30 to 7:30 on Saturday mornings and from 5:30 A. M. to noon on Sundays! Do we have two budding Arthur Godfreys on our campus?!

For the approaching Halloween holidays, Helen Cherry and Patsy Whitehead have been appointed as chief goblins by higher authorities. We're mighty proud of these gals and know they'll carry out their jobs beautifully. Wonder who'll be nominated for chief witch?

The Vanguard Theater is industriously working right through Homecoming AND Halloween on their production of the *Glass Menagerie* to be presented November 6, 7, and 8, with Mary Carrington, Peggy Peeples, Jimmy Townsend, and Kellie Lowe taking the leads. These students are putting out a lot of hard work, so let's get behind them and show our appreciation by attending one or all of these performances. Let's help them make UTMB's theater something of which we can be proud.

EDUCATION CLUB ANNOUNCES PLANS

A kid party, meetings in the Wagon Wheel, and sponsoring several F.T.A. chapters in neighboring high schools are just three things on the agenda for UTMB's chapter of the Future Teachers of America for this year!

November 15, the Wagon Wheel will be the scene of a Kid Party sponsored by the F.T.A. and open to everyone. A children's theme will be carried out in the program, refreshments, and decorations.

The meetings each first and third Monday night will be held in the Wagon Wheel to accommodate more members and provide a change of scenery. Interesting programs and tasty refreshments have been planned for each meeting.

Plans are being made for UTMB's F.T.A. chapter to organize and sponsor several high school chapters of F.T.A. in some of the neighboring schools. These arrangements are still in the making, so if YOU have any suggestions, bring them to the next meeting.

Guiding the F.T.A. in what we hope will be a successful year are the following officers: President, Nelson Edwards; 1st Vice-President, Beth Goff; 2nd Vice-President, Mary Grabel; Secretary, Doris Reedy; Treasurer, Don Anderson; ASC Representative, Betty Privette; Annual Representative, Mary Carrington; Reporter, Vernon Adcock.

CANDLES LIGHT WAY AT MEETING OF BUSINESS CLUB

Candlelight did brighten business in a very special way. You ask me when this came about? Well, it all happened on a Monday night, September 30. The time was at 6:45 P. M., at the Administration Building. Light shined forth from seven white candles held by seven

people who pledged to carry out during fall quarter certain jobs, and places of responsibility for the Business Club. Since a candlelight service is always very impressive and inspirational, so was this candlelight service.

The ones present seemed to take the ceremony seriously, but after the business part of the program was over, everyone was in the mood for a little social atmosphere.

Speaking of being proud, a special bow to our football team which scored a fourth victory Saturday night by defeating North-west 26-9! That makes it four and we know it's going to be more!

Fresh initiation starts Friday and we upperclassmen get to have our Halloween early. After the freshmen were told the kind of "garb" they are expected to wear the 25th, one girl remarked, "You mean we have to go to class that day?" We live and learn!

The night after Halloween will find the recreation room of the Women's dorm the scene of a post-Halloween party complete with black cats, goblins and "punkins." Boys, get one of those 164 girls to ask you, and hope on your broomstick and fly right over! SEE YOU THERE!

Alumni News

Ross Walker, Ag '56, is now working with the Memphis Branch of John Deere Plow Company.

George Wilson, Ag '54, is also connected with John Deere. He plans to attend John Deere Service School in St. Louis in the near future.

Louise Vowell Oliver, HE '53, is teaching in the Groveland, Florida, public school system.

Thomasine Penick Wadley, HE '57, is filling the position in the UTMB Home Ec. department formerly held by Mrs. Oliver.

Verdean Snider, Ag '56, has accepted the position of manager of Coffee County Farmers Cooperative in Manchester.

Dallas Smothers, Ag '54 has been doing a record of sales at Haywood Farmers Cooperative in Brownsville.

Benny Fowler, Ag '54, is manager of the Lincoln County Farmers Cooperative in Winchester.

Byrda M. Pratt, HE '56, is now Home Agent for Carroll County in Huntingdon. She had served as Assistant Home Agent in Hardin County.

Jerry Flatt, Ag '56, is employed by Pet Milk Company in Morristown.

Mary Jo Gillespie, HE '56, and Lewis Larsen were married in Paris September 8. She will be Home Agent for Blount County while he continues his ag studies at UT—Knoxville.

Bob Wylie, Ag '56, is soil conservationist for Stewart County at Dover.

Fred H. Tucker, Ag '53, is Assistant County Agent for Davidson County, Nashville.

Thomas O. Shelby, Ag '56, is in charge of variety testing UT—Knoxville. He recently conducted a discussion on recommended varieties of grain sorghums at the field day at the Highland Rim Experiment Station at Springfield which Wylie and Tucker also attended.

Philip Watkins, A '56, and Patricia Kirk, HE '57, were married in Medina August 24. They are now at Urbana, Illinois, where he is doing graduate study in Agronomy at the University of Illinois.

Elizabeth (Penick) Horton, HE '54, and her husband, Rev. George Horton, are living in Shelbyville, Kentucky, where he is pastor of Buffalo Lick Baptist Church.

Billy Reeves, A '56, is associated with the USDA Food Inspection Service at Bolivar.

James R. Kendall, A '56, was commissioned an Ensign in the USNR July 2, 1957, at the Naval Station, Newport, R. I.

Jimmy Young, A '57, is teaching in Alamo. His wife, Marilyn (Hancock) Young, H '57, is Assistant Home Agent for Gibson County.

Gary Duren, A '57, is at UT—Knoxville, doing graduate study. Martin Haggard, A '57, is employed as a livestock buyer for Armour and Company.

Martha (Fisher) High, HE '57, and husband Billy are in Columbia, South Carolina. Martha is teaching Home Economics at Cayce Junior High School.

Glenn Headen, A '57, worked with the Soil Conservation Service in Lebanon until leaving for the Army in July.

Janice (Joyner) MacIn, HE '57, received an assistantship at the University of Illinois in Textiles and Clothing.

Jackie Reese, A '55, is in the Army at El Paso, Texas. He works in the orthopedic clinic at William Beaumont Army Hospital.

Glenn Gallien, Jr., A '55, entered the School of Dentistry at UT—Memphis this fall.

Jo Ann (Warmath) James, H '55, is teaching at Westover School in Union City.

Franklin Holloway A'56 and wife, Evelyn, are at Fort Smith, Arkansas. He is an army interviewer at the personnel station there.

Robert Hart, A '57, is working with the USDA Plant Pest Control at Dyersburg.

"Dickie" Richard Cooper, A '57, and Miss June Rhea Lamy were married October 6 at Dresden, Tennessee.

Patty Lake, UTMB 53-55, is Assistant Home Agent, Obion County, Union City.

Harold Lile, A '55, and wife, Jeanene (Edwards) Lile, HE '56, are having a rich experience living in Japan. David Turner, A'54, and James Jowers, UTMB '54, recently took Harold for a ride as they are helicopter pilots in the Navy.

Ray T. Britt, A '56, has completed his thesis entitled, *Marketing of Forest Products in Tennessee*. His research will likely be published as a University of Tennessee Experiment Station Bulletin soon.

John M. Key, A '55, is flying the big Super "G" Constellations from Chicago to San Francisco.

people who pledged to carry out during fall quarter certain jobs, and places of responsibility for the Business Club. Since a candlelight service is always very impressive and inspirational, so was this candlelight service.

The ones present seemed to take the ceremony seriously, but after the business part of the program was over, everyone was in the mood for a little social atmosphere.

UTMB SPORTS

Boost the Vols

Vols Down NW Miss. For Fourth In Row

Vols Score Four TDs After Trailing At Half

The Vols made it 4 out of 4 October 19 when they won a hard-fought 26-9 victory over a stubborn NW Miss. Junior College team. The game was much closer than the final score might indicate as the Vols fought back after trailing 9-0 at the half.

The comeback victory was especially pleasing to Vol fans who saw their team toss away two early scoring opportunities by fumbles and then fall behind as the result of a safety and a 49-yard scoring drive following a short free kick from the 20 after the safety.

However, things were different in the second half. With Lane seeming to provide the spark, the Vols went 89 yards, then went ahead on a pass from Lane to Smith. The clincher came on a brilliant 75 yard punt return by Kendrick after a crisscross from Hawkins, and Lane himself iced it with a three-yard quarterback sneak.

After a so-so first half, the Vol line played spectacularly the last two quarters and put on its peak show of bone-crunching tackling.

1st Quarter

NW Miss kicked off to the UT 12 with Kendrick returning to the 27. After two line plays Lane passed to Davis for a 1st down on the NW 45. On 3rd down Kendrick ran 22 yards for a 1st down on the NW 20. The drive ended when NW recovered a UT fumble on the 19. In 4 plays NW had 1st down on the UT 17. UT braced and took over on its 20. On 4th down with Bayless back to punt, the pass from center was high over his head and Bayless downed it in the end zone for a safety.

UT punted from its 20, the ball going out on the 49. Led by Kirk and Thomas, NW went the 49 yards in 11 plays with Hogue going the last 2. Youngblood converted and NW led 9-0.

2nd Quarter

After the NW kickoff, UT was held and Bayless punted to the NW 13, the ball being run back to the 29. NW fumbled and UT recovered. Bayless and Fowler made it a 1st down on the 15. Bayless passed to Lashlee for a 1st down on the 2, but Hawkins then fumbled with NW recovering. Bayless recovered a NW fumble on the 9 for another chance but NW held on the 4. NW then went 95 yards on 13 plays, the last gaining a 1st down on the UT 1 as the half ended.

3rd Quarter

UT kicked off with NW returning to its 40. NW then started a drive that brought it to the UT 14. Two plays gained 2 and 2 incomplete passes gave UT the ball on its 11. UT started an 89 yard drive which ended with Fowler scoring from the 2. Key plays were an 18 yard run by Fowler, successive runs of 11 and 9 yards by Lane, and a Lane to Lashlee pass good for 25 yards. Fowler converted and UT trailed 7-9.

UT kicked off, the ball being returned to the NW 30. On the first play NW fumbled and UT recovered on the 26. NW was

Vols Take First Road Game, Winning 39-0 Over Hendrix College

By MAURICE FIELD

UTMB's Vols played their first road game October 11 when they met Hendrix College at Conway, Arkansas. The Vols showed that being on the road means little as they raced to a decisive 39-0 score over a game but outclassed opponent.

In scoring their third in a row the Vols scored in every quarter, giving them the amazing record of at least one touchdown in each of 12 quarters played so far.

Lashlee led the Vol scoring with two touchdown passes, with Lane being the passer on both occasions. Other touchdowns were scored by Fowler, Hawkins, Smith, and Anderson. Fowler also added two conversions and Lowe one.

Women's Intramurals

By HARRIETTE LAVENUE

Women's intramurals are now underway. Within the next week the first individual sport, table tennis (ping pong), will get started. The sign-up sheet for table tennis is now on the women's intramural bulletin board. It will be taken down Thursday, October 24, and the tournament sheet will be posted Monday, October 29.

The team sport for the quarter is volleyball. The volleyball tournament will start after Homecoming.

The team captains for the year are:

Red, Johnnie Alexander
White, Norma Roberson
Blue, Ann Coltrain
Yellow, Ann Ussery
Black, Harriette Lavenue
Brown, Sue Wimberly
Green, Mary Elizabeth Grabel
Orange, Kathryn Cook.

All women students are urged to support their team and help the team captains by joining in all events. Remember—it's for your enjoyment.

penalized 5 yards and on the next play Lane passed to Smith for the touchdown. The try was blocked and UT led 13-9.

UT kicked off, the ball returned to the NW 16 as the quarter ended.

4th Quarter

After one 1st down NW punted to the UT 35 with Hawkins returning 29 yards to the NW 36. UT fumbled and NW recovered on its 35. Unable to gain NW punted to Hawkins on the UT 25, who handed off to Kendrick, and Kendrick ran 75 yards behind some beautiful blocking. Fowler converted and UT led 20-9.

NW made one 1st down after the kickoff. NW gambled with a 4th down pass and UT took over on the NW 42. Hawkins made a 1st on the 30 and Lane ran 19 to the 11. Fowler gained 9 yards on 2 tries and Lane scored on a quarterback sneak. The point was no good and UT led 26-6.

NW made one final threat which started followin ga 15 yard penalty when a NW player was tackled after signalling for a fair catch of a punt. NW made 3 first downs and reached the UT 8 as the game ended.

Scoring: UT — Fowler (2 yd. plunge); Smith (21 yd. pass); Kendrick (75 yd. punt return); Lane (2 yd. sneak). Conversions: Fowler 2. NW—Hogue (2 yd. plunge). Conversion: Youngblood 1. Hogue (safety—ball downed in end zone.)

Looking at Sports

A Look At The Vols

This year's football team has been a pleasant surprise to all concerned. Going into Saturday afternoon's game with 4 wins and 0 defeats, the squad has a great chance to chalk up one of the best won-lost records in history. In addition it may well be the top scoring outfit of all time, as its 123 points in the four games played would indicate.

If the coaches and players were asked, we think the one item to which they would point would be the spirit, both individually and as a unit. This is a team that fights from the opening whistle, a team that refuses to yield an inch, a team that makes the opposition work for every yard, and finally, a team that makes breaks and capitalizes on them.

A prime example of this would be the game with Arkansas State. In that game the Vols hit so hard that Arkansas fumbled deep in its own territory twice in the first half. Both fumbles were recovered by alert linemen and Vol touchdown marches were on. In the second half, a Vol lineman intercepted a pass and ran it back 20 yards. This drive was halted, but the next time Arkansas had the ball another pass interception resulted and decisive touchdown was underway.

Plays such as these may appear to be "lucky" breaks, but they are far from that. They are a direct result of alert, heads-up play and they come only as a result of hours of practice and top-notch coaching.

It would be almost unfair to single out any individuals in what has been a great team effort. Yet players and fans alike would agree that the game after game brilliance of Bobby Fowler has been outstanding. Possessing neither the size nor weight usually thought necessary for a full-back, Fowler by drive and sheer refusal to be stopped has been a tremendous asset. His seven touchdowns and better than 400 yards rushing are only part of the victory. The other is the inspiration and lift such a performance gives the other members of the team.

The World Series

The triumph of Milwaukee in the World Series undoubtedly is one of the most popular victories in Series history. Fans across the country were tired of the almost monotonously regular Yankee wins. They were tired too of the subway-like atmosphere of a post-season classic. In short, they were eager for a new face, and preferably a Western face, to come up on the horizon. In the Braves they finally found the answer.

Naturally, the performance of Burdette was the individual highlight; and it must have hurt (really hurt) to have a man traded off some six years earlier come back and break the Yankee bubble so completely, and seemingly with so little effort. Other pitchers had won 3 games in a Series, but until Burdette none since the days of auld lang syne of Christy Mathewson had won 3 by starting and finishing.

In the final games, next to Burdette, Matthews was the standout. He hit the homer that won Game 4, he scored the only run in Game 5, and he drove in the first two runs in Game 7. Moreover he played defensive ball that none had felt him capable of, as his final play in the last game showed. Until Matthews got started, Aaron held the Braves' offensive hopes and Covington the defensive ones. Without these two, the Series might not have lasted long enough to give Matthews his chance.

"Bush League" was the term one Yankee sneered when Milwaukee fans tried to give the Yankee a royal welcome. Those words returned to haunt the GREAT HEROES and undoubtedly had a psychological effect on both teams. And when the final game came, the words were true, but in reverse as the Yankees (no longer the GREAT DAMN YANKEES) played like bushers and were scalped but good by the FIGHTING BRAVES. MAY THE DAMN YANKEE SCALP BE LONG LOST AND MAY VICTORY LONG REIGN IN THE TEPEES OF THE BRAVES.

ROTC Promotions Are Announced

Under the provisions of the ROTC Cadet Regulations, University of Tennessee, Martin Branch, the cadet promotions for the new school year have been made official. The following promotions were made: one Cadet Lt. Colonel, one Cadet Major, five Cadet Captains, ten Cadet First Lieutenants, thirteen Cadet Master Sergeants, forty-five Cadet Sergeants First Class, thirty-six Cadet Sergeants, eighteen Cadet Corporals.

These promotions incorporated all the sophomores enrolled in the 1957-58 ROTC program and also incorporated a few freshmen who have had previous military training such as the National Guard or high school ROTC.

Rifle Team Members Are Selected

The new ROTC rifle team members have been selected. They are as follows: Cadet Corporal Dan P. Shanklin, Cadet Corporal Mack Arnold, Cadet Sergeant Charles Jennings, Cadet Sergeant Jimmy Freeman, Cadet First Sergeant Thomas Harris, Cadet Master Sergeant Richard Johnson, Cadet Master Sergeant Charles M. Culver, Cadet Private Lewis, Cadet Private D. B. Hinson, Cadet Private J. P. Whitehead.

The team is progressing very rapidly and the members are improving daily. They are making very good scores and the chances look very promising for the future postal matches. The members practice several hours a week and each one is competing for a marksman badge awarded for making a certain high score. Corporal Dan Shanklin is leading the team in score now and has already qualified for his ROTC Expert Small-Bore Rifleman Badge.

The team has a shoulder-to-shoulder match scheduled with Murray State College for Thursday, October 24, at Murray.

Home Ec. Club News

Initiation Day Held

Initiation of the new Home Economics Club members was observed on Monday, October 7.

That day the new members wore an apron and carried a rolling pin, with their name and title, Home Ec. Club member, on it. This was to distinguish the new Home Economics Club members from other club members and to set forth an example of a typical homemaker.

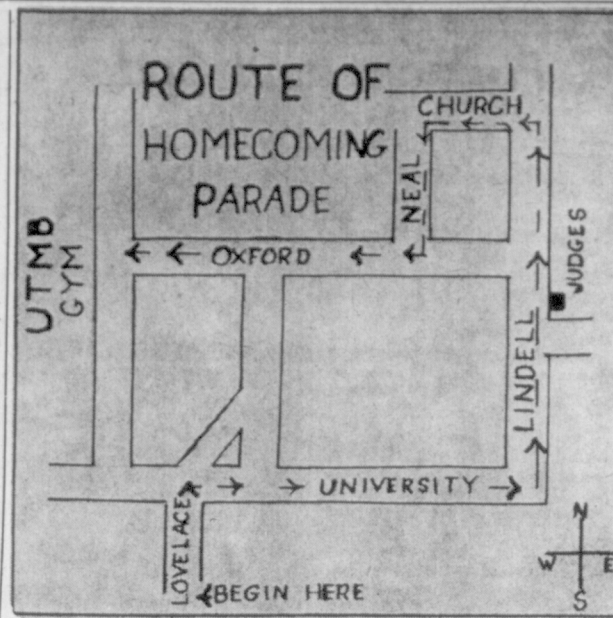

Formal initiation of the new club members was held that night in the living room of the Home Economics Building.

A guest speaker, Miss Flowers, was with them to discuss the meaning of the Home Economics Club and its symbol, the Betty Lamp.

Skating Party

On Friday night, October 11, the Home Economics Club held its annual skating party. The party was held at the Sharon Skating Rink with the Home Economics Club members and their dates attending.

Refreshments, which were pre-

Homecoming Parade Line of March

The 'Lowe-Down'

By Lowe

By KELLIE LOWE, JR.

It's fall at UTMB, and all that implies. Both the music department and Vanguard Theater have been grinding back into action. A full schedule has been planned by both these organizations for the coming year.

The UTMB chorus is hard at work on their annual presentation of Handel's "Messiah." A gratifying large number of students, both Freshmen, and returnees are participating in the UTMB chorus this year, and from the enthusiastic rehearsal attendance, they are enjoying it immediately.

I would like to take about "five" right now to welcome UTMB's new piano instructor, Mr. Robert D. Stewart. We are all very proud of the excellent progress made by the music department, and the excellent showings given by the UTMB chorus, band, quartet, sextet, and other musical endeavors.

Vanguard Theatre is producing Tennessee Williams' "The Glass Menagerie," for the Fall Quarter show this year. A taut, powerful tragedy, "The Glass Menagerie," has a very unusual story, and has been recognized by the experts as one of the best contemporary dramas. A small cast of only four is used for the "Menagerie," but these four people lead you through an almost unbelievable amount of

pared by the Home Economics Club members, were served at the party.

Chaperones for this party were Miss Whitehead, Miss Van Denburg, Miss Norman, Mr. Stuart, Mr. Bell, and Mr. Hamilton.
